Dr. T. Keith Glennan, Administrator  
 National Aeronautics and Space Administration  
 Washington 25, D.C.

Dear Dr. Glennan:

Knowing of your particular interest in our special efforts to provide the Government with information about Soviet science, I thought you would like to see our new edition of Soviet Men of Science.

In this edition we have brought together information on nearly 50,000 Soviet scientific personalities, and provided a comprehensive guide to their organizational affiliations.

Sincerely,
